

Dear Clark County Neighbor,

In this pamphlet, there have been some very hard truths written in blunt and plain language. We have done so out of love. Some people will respond with anger and indignation. Our prayer is that God will use this pamphlet to convict our hearts of sin. We often think that the problems facing our nation are to be found in Hollywood, New York City, or Washington DC. The truth, however, is that even small town America is rebelling against God. We are all guilty of rebelling against God. Your sin might not be the ones mentioned in this pamphlet but you have sinned against your Creator. God's Holy word says "All have sinned and fallen short of the glory of God (Romans 3:16)." Idolatry, pride, greed, envy, lust, and hatred for our neighbor are just some of the ways that we all sin. We are in the same boat you are in. We have sinned and rebelled against the good God who created us. The Bible says that the wages we earn for our sin is death. We deserve the anger and wrath of God as individuals, families, and even as a county.

We are a prideful people which is why we are tempted to get angry when confronted with our sins. God is opposed to the proud though (1 Peter 5:5). There is good news, God gives grace to the humble (1 Peter 5:5). God is not only a just God, he is gracious and slow to anger. He is full of mercy and therefore He sent his only begotten Son to bear the punishment of sin for His people. Jesus Christ, God in the flesh, lived a perfect and holy life. He was crucified, dead, and buried. He took upon himself the wrath of God that sin deserves. Death could not hold him down. He rose again from the dead and He ascended into heaven where He reigns right now as King.

Jesus Christ now calls all people everywhere to repent and believe in Him. Those who trust in him will be saved from the wrath of God and the enslavement of sin. This salvation is by grace and through faith. All of it is a wonderful and underserved gift of a loving God. To those who receive Christ, they are given the right to be children of God. Our heavenly Father is good, isn't he?

1 Corinthians 6 says "Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals, nor thieves, nor the covetous, nor drunkards, nor revilers, nor swindlers, will inherit the kingdom of God. Such were some of you; but you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus Christ and in the Spirit of our God.

Don't be deceived but trust in Christ who washes clean our sin. When God changes us, we begin to submit to the King, Jesus Christ in all things. We begin to realize that the fear of the Lord is the beginning of wisdom. Because education isn't neutral but finds its purpose in Christ, we will raise our children in the fear and admonition of the Lord. Material blessings become not a means to themselves but we work hard to bless others. We offer our bodies up as spiritual sacrifices to God. Rather than abuse ourselves with drugs and sexual perversion, we find our joy in Christ. He enables men to lead their families, churches, and communities into godliness. Men will build God's kingdom, fight evil, and protect the weak and needy. He enables women to be women with gentle, quiet, and submissive spirits who are helpers to men in the building of the kingdom and the care of the home. He enables us to see children as a blessing rather than a curse to be murdered in the womb. He heals our land.

It is our prayer that this pamphlet will not only convict but that God will use it to humble us all so that we will seek the face of God, and cry out for mercy so that he may forgive our sins and heal our land. We love Clark County and pray God's blessings on it.

In Love,
